ABOUT VITRANO

Curated in Morbi. Shipped from its true origin.

Vitrano is a tiles and surfaces exporter built for importers who want a straight answer on where a product is made, how it is packed and what it will cost to land.

Vitrano curates and manufactures through dedicated production lines at partner plants in Morbi, India — the world's largest ceramic tile cluster. An own plant is planned. The Vitrano Foshan Collection is partner-made in China for formats and products we choose to source there: sintered stone, thin porcelain, mosaics and sanitaryware.

Every product ships from its true country of origin with a genuine certificate of origin — Indian products FOB Mundra, Chinese products FOB Nansha / Shenzhen. Nothing is relabelled or transshipped.

Our product codes make origin visible at a glance: **VM-** for the Vitrano Morbi range, **VF-** for the Vitrano Foshan Collection.

Morbi, Gujarat — production partner plant. Imagery representative.

DEDICATED LINE · PARTNER PLANT

Vitrano Morbi Unit I

A dedicated Vitrano production line at a partner plant in Morbi running Vitrano specifications for GVT / PGVT in 600×1200 and 800×1600 mm, with Vitrano quality engineers on site.

PLANNED · OWN PLANT · TARGET 2028

Vitrano Morbi Unit II

Planned own slab plant in the Wankaner / Morbi belt for 1200×2400 and 800×2400 mm porcelain slabs. Until then slabs are produced at partner plants under the Vitrano quality program.

PARTNER · CONTRACT MANUFACTURING

Foshan Partner Factory

Partner factory in Foshan, Guangdong for sintered stone up to 1600×3200 mm, thin porcelain, mosaics and sanitaryware. Labelled Made in China and shipped from China.

WHY VITRANO

Built for the container, not just the showroom.

01 **Quality program**

Specifications set by Vitrano — body, designs, kiln curve, sorting standard. In-process checks, pre-shipment inspection and container-loading inspection; third-party inspection (SGS, QIMA, BV) welcome.

02 **Export-grade packing**

Five-ply cartons, polythene or EPE interlayers on polished faces, corner protectors, PET strapping, stretch wrap and ISPM-15 heat-treated pallets or A-frame crates for slabs.

03 **Loading evidence**

Pallet-by-pallet photos, a loading video, container and seal numbers shared on the day of stuffing — the record that protects you at discharge.

04 **Documentation**

Commercial invoice, packing list, bill of lading, certificate of origin, insurance for CIF, fumigation / ISPM-15 and product test reports. Support for ECAS, SASO / SABER, UKCA and KEBS PVoC.

05 **Clear incoterms**

Indian products FOB Mundra; Foshan Collection FOB Nansha / Shenzhen. CFR and CIF quotations on request to your nominated port.

06 **Honest origin**

Each product carries its true country of origin on the box, the invoice and the certificate of origin. VM- and VF-codes keep it visible.

Pre-shipment inspection: shade, calibre, planarity and surface quality.

Container stuffing with photo and video record shared with the buyer.

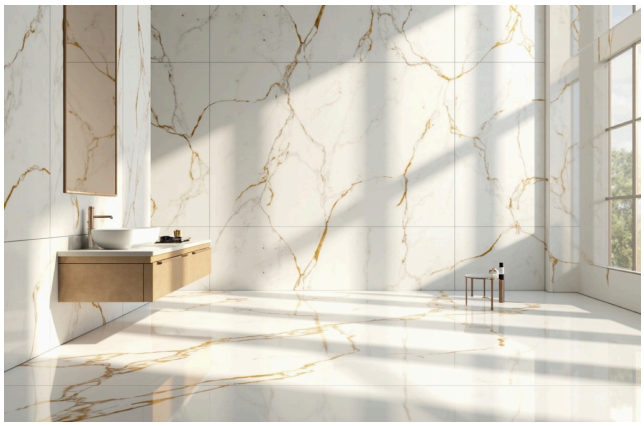

THE RANGE · MADE IN INDIA

Vitrano Morbi range

GVT

Glazed vitrified tiles in matt, satin and glossy finishes. 600×600 · 600×1200 · 800×800.

PGVT

Polished glazed vitrified — high-gloss mirror finish. 600×1200 · 800×1600.

Marble-look

Statuario, Calacatta, Carrara, Marquina, Onyx and Travertino designs.

Porcelain Slabs

Large format 800×2400 and 1200×2400 mm for walls, floors and counters.

Wood-look

Nordic Oak and Walnut planks in 600×1200 mm with matt and satin surfaces.

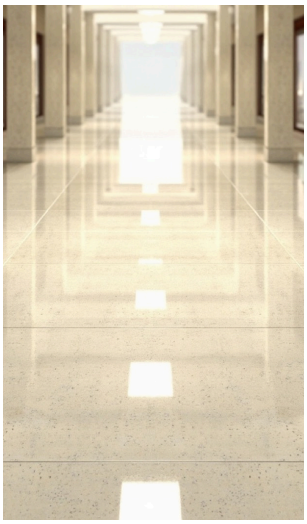

Full Body Vitrified

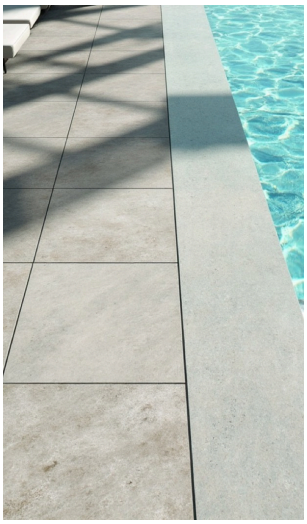

Colour-through porcelain for malls, airports, metros and offices.

THE RANGE · MADE IN INDIA

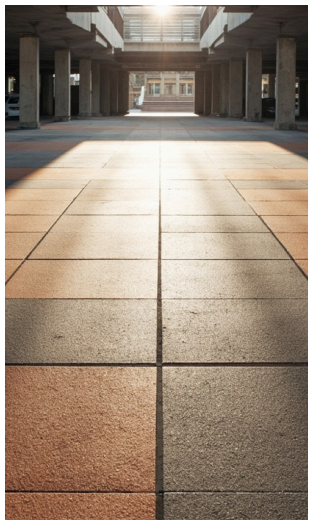

Technical & outdoor surfaces

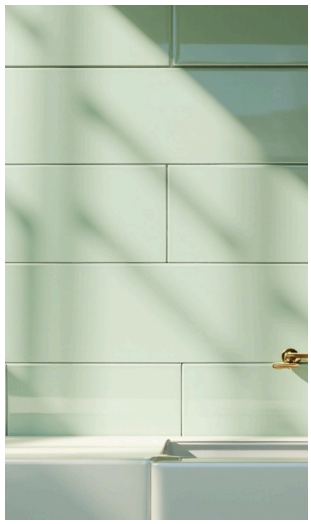

Double Charge
Dual-layer pressed vitrified for heavy-traffic commercial floors.

Outdoor 20 mm
Frost-resistant pavers for terraces, pools and landscapes.

Parking & Steps
12 mm+ anti-skid parking tiles; matched step treads.

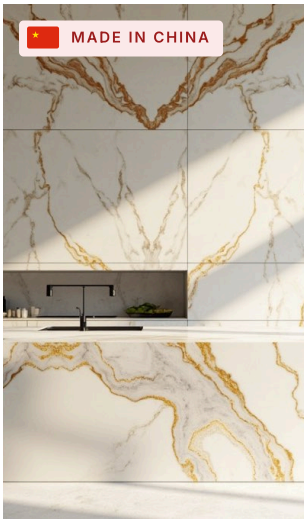

Ceramic Wall
300×600 mm wall tiles for bathrooms and kitchens.

THE RANGE · MADE IN CHINA

Vitrano Foshan Collection *(partner-made)*

Produced at a partner factory in Foshan, Guangdong. Shipped from China with a Chinese certificate of origin — never relabelled or transshipped. Product codes begin VF-.

Sintered Stone
Slabs up to 1600×3200 mm, 12 mm, for counters and cladding.

Thin Porcelain
6 mm 1200×2400 mm panels for facades and refurbishment.

Mosaics
Marble and glass mosaics on mesh-mounted sheets.

Sanitaryware
Wall-hung WCs and countertop basins.

MADE IN INDIA · MORBI, GUJARAT

Vitrano *Morbi* range

GVT / PGVT, porcelain slabs, wood-look, full body, double charge, outdoor 20 mm, parking and wall tiles — produced on dedicated Vitrano lines at partner plants in Morbi. Shipped FOB Mundra with an Indian certificate of origin. Product codes VM-.

Shade & calibre

Every carton is marked with design, size, shade (tone) and calibre codes. Order the full quantity of a design in one batch and keep spare stock of 3–5 % for future repairs. Approve shade on physical samples before production.

Certification

Producing plants work to ISO 9001 with CE declarations to EN 14411. Market approvals — ECAS (UAE), SASO / SABER (KSA), UKCA (UK), KEBS PVoC (Kenya) — are arranged per order. Copies are supplied with the quotation.

> Slip ratings depend on finish: high-gloss and polished surfaces are recommended for dry interior floors and walls only. For ramps, pool surrounds and exterior areas specify rustic / anti-skid finishes (R11+).

PACKING & CONTAINERS

Loading summary

Tiles are **weight-limited, not volume-limited**: a container reaches its ~27 t payload long before it is full. A 20ft is the standard box for tiles; a 40ft carries roughly the same weight, so it pays off only for long slabs, thin porcelain and light, bulky goods.

SIZE (MM)	PRODUCT	MM	PCS / BOX	M² / BOX	KG / BOX	BOXES / CTR	M² / CTR	NET T	CTR
300 × 600	Ceramic wall tile · IN	9	5	0.90	13	2,000	**1,800**	26.0	20ft

Strapped, corner-protected and stretch-wrapped export pallet.

Good to know

- All figures are **indicative**; the final loading plan is confirmed on the proforma invoice.
- Net weight excludes pallets (~35 kg each) and slab crates / A-frames (~80–100 kg each).
- Mixed containers are loaded by full pallet; several designs and sizes can share one 20ft.
- Mosaics and sanitaryware load by volume — plan per order.
- Full per-size detail, pallet counts and checklists: **Vitrano Packing & Container Guide 2026**.

ORDERING INFORMATION

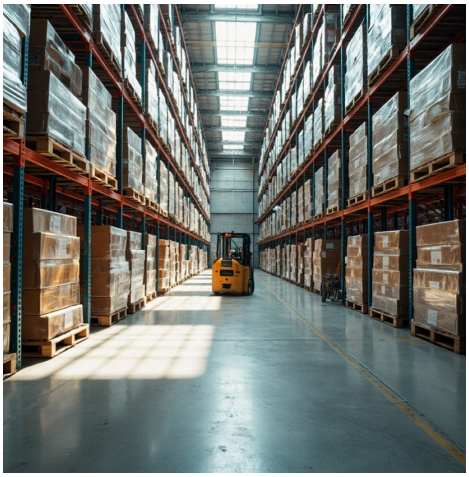

How to order

MINIMUM ORDER	One 20ft container (≈ 1,000–1,400 m² of floor tile). Designs and sizes can be mixed by full pallet. Foshan mosaics from 200 m², sanitaryware from 100 pcs, consolidated in a China-origin shipment.
ORIGINS	India-origin and China-origin goods ship separately, each from its own port with its own certificate of origin. They are never combined or relabelled.
INCOTERMS	FOB Mundra (India) · FOB Nansha / Shenzhen (China). CFR and CIF to your nominated port on request (Incoterms 2020).
PAYMENT	30 % TT advance with order, 70 % TT against scanned copy of the bill of lading — or 100 % irrevocable LC at sight. LC recommended for first orders.
SAMPLES	Cut samples and shade references dispatched in 5–7 working days. Courier paid by the buyer and credited against the first order.
LEAD TIME	Indicative: ready designs 10–14 days; standard production 15–30 days; custom designs and private label 30–45 days from advance and approved samples. Foshan Collection 25–40 days.
INSPECTION	Vitrano pre-shipment and loading inspection on every container. Third-party inspection by SGS, QIMA or BV welcome at the buyer's cost.
BREAKAGE	Export-grade packing targets in-transit breakage below 1 %. Claims documented with photos at devanning; settled by credit note or replacement in the next container.
PRIVATE LABEL	Custom carton printing, labels and catalogue support available on request.

Five steps to your first container

1. Send sizes, finishes, quantities and destination port
2. Receive FOB / CFR / CIF quotation and loading plan
3. Approve physical samples and shade reference
4. Confirm proforma invoice and pay advance (or open LC)
5. Production, inspection, loading video and documents

All terms, lead times and figures in this catalogue are **indicative** and are confirmed on each proforma invoice. Prices are quoted on request in USD per m² (per piece for sanitaryware).

Ready stock is held for fast-moving designs; confirm availability with your enquiry.

SHIPPING & DOCUMENTS

From Mundra to your port

Indicative ocean transit from Mundra

MARKET	PORT	TRANSIT
United Arab Emirates	Jebel Ali	5–7 days
Oman	Sohar / Salalah	4–6 days
Qatar	Hamad Port	7–10 days
Saudi Arabia	Dammam / Jeddah	8–14 days
Sri Lanka	Colombo	4–7 days
Singapore	PSA Singapore	10–12 days
Kenya	Mombasa	12–16 days
Australia	Melbourne / Sydney / Brisbane	22–28 days
United Kingdom	Felixstowe / London Gateway	24–30 days
United States	Houston / NY-NJ / Savannah	35–45 days

Port-to-port sailing time, indicative and subject to routing and carrier schedules. Foshan Collection sails from Nansha / Shenzhen.

Mundra — India's largest commercial port, under 200 km by road from Morbi.

Export documents with every shipment

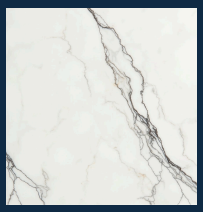

- ☐ **Proforma invoice** — HS code, sizes, grade, quantities, price, incoterm, packing, tolerances
- ☐ **Commercial invoice & packing list** — Boxes per pallet, m², net / gross kg, container & seal no., shade / batch
- ☐ **Bill of lading** — Original or telex release / sea waybill
- ☐ **Certificate of origin** — India: DGFT eCoO (preferential under CEPA, CETA, ECTA where eligible). China: CCPIT / customs CoO
- ☐ **Insurance certificate** — For CIF: 110 % of CIF value, ICC (A)
- ☐ **Fumigation / ISPM-15** — Heat-treated pallet stamp and treatment certificate
- ☐ **Test reports** — EN 14411 / ISO 13006 — water absorption, MOR, abrasion, slip
- ☐ **Market approvals** — ECAS (UAE), SASO / SABER (KSA), UKCA / DoP (UK), KEBS PVoC (Kenya)

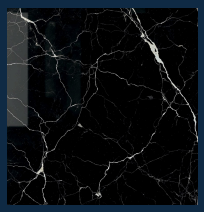

Loading evidence

Pallet-by-pallet photos, loading video, container and seal numbers are shared on the day of stuffing. Documents are sent within 72 hours of sailing.
